MEDICAL PROCEDURES: Cornell Recreational Services assumes no responsibility for injuries received during intramurals, special events, and other recreational activities. Participants are reminded that their participation is completely voluntary. The nature of sport activities and the large number of participants in the Cornell University Intramural program make the occurrences of some injuries inevitable. It is strongly recommended that all participants have a physical examination prior to participating. Any injuries or accidents occurring during recreational activities should be reported immediately to on-duty personnel. Participants with a health issue and individuals who are on medication are urged to confidentially inform the Director of Intramural Sports of their specific situation.

ALCOHOL AND DRUG POLICY: Individuals, teams, and spectators who arrive intoxicated, suspected of consumption, or possessing alcohol, tobacco, or other illegal substances will not be permitted to play and will be asked to leave the playing area. The game may be forfeited and the offending individuals immediately suspended. Cornell Recreational Services will not tolerate such behavior and will act in a manner that is prudent, with the safety of all participants the priority. Such individuals will be dealt with harshly, given a minimum of a 365-day suspension and will be subject to University disciplinary procedures.

Please read the Intramural Handbook. It is a written description of the regulations that govern the Intramural Sports Program. No matter what sport you play, these regulations govern your participation in our programs. It is imperative to the continuity of the program that all participants are aware of and abide by the regulations set forth by Cornell Recreational Services.

*All rules not specifically covered in this document will be enforced as TNBA Bowling Rules.
