Intramural Sports
Disc Golf Rules
Cost: $5/singles, $10/doubles

FORMAT
The tournament will take place on October 19th. Games are scheduled starting at 11:00 AM and the last tee time will begin at 2:00 PM. The tournament will take place at Palmer Woods Course, located on North Campus near A-Lot.

ELIGIBILITY
An individual may not, under any circumstances, play or register on more than one intramural team of the same division in this league, regardless of level of play. Participants are subject to the Intramural Sports eligibility rules as stated in the Intramural Handbook (Section VI.: Eligibility). **Teams will be allowed to add new players to their roster throughout the season, including playoffs.** All roster additions will be handled through IMLeagues.com or at the game site. If a participant registers at the game site, they will need to have created a profile by the time their game is played. Failure by write-in participants to create an IMLeagues account profile by the deadline will result in a $5 fine per account created for the team to the team captain.

**VALID CORNELL ID CARDS:** Before anyone can participate, each player must present their Cornell picture ID when they check in at all events. NO ID = NO Play.

FORFEIT FEE
If a team fails to have the required number of participants at the scheduled match time, the opposing team who is present will take the win by forfeit at that time. No contest will be played.

Any team that forfeits one game will be charged a $10 forfeit fee.

RULES
- The tournament is a nine-hole, captain and crew competition.
- Each team consists of two players.
  - For the Mix-Gender division, teams must have one player identifying as male, and one identifying as female at all times.
- Each player will “tee-off”. The team will decide which disc to play from for the next shot, and then all players throw from this spot. This procedure continues until the team lands the disc in the target.
- To encourage participation, the team is required to use a minimum of four “tee shots” per player per round.
- Disc golf is played like regular golf with a Frisbee, or “disc” used instead of a golf ball. The target is a basket that is situated at the end of each hole. Your “score” for a hole is determined by the number of disc throws needed to land in the basket.
- To tee off, the player throws from a designated tee box area. When throwing, your feet must be at or behind the spot where the disc landed on the previous stroke. Throwing order is determined by who is farthest from the hole, and tee-off order begins with those who had the fewest strokes on the previous hole.
- If the disc lands outside the designated course (on roads, in a tree, etc.), then a one stroke penalty is assessed and the disc is thrown from the spot it went out of bounds. When within a ten meter radius
of the hole, the player cannot dive towards the hole in their throwing motion so as to gain an advantage. To complete a hole, the disc must lie inside the designated basket.

- The winner is the team who completes the entirety of the disc golf course in the fewest number of strokes. In case of a tie-breaker, the teams will begin extra holes beginning at the first hole. Play will continue until one team scores lower on a given hole.
